

## Stewardship Meeting Meetings

November 16, 2017

In attendance: Father Taylor, Mike Myers, Cathy Raffeale, and Mara Sullivan.

- Tabetha Mwita, proposed purchasing a carpet cleaner for spot cleaning of the carpet. Considering the number of functions involving food, it was decided that this would be a good idea.
- Discussed the quotes from Scalise for the Ministry Center and Rectory boilers and have decided to get quotes from Miller plumbing for them before decided on proceeding.
- Reported that we are still waiting for the Ministry Center storm door quote from John Sommer. Will also be having him check the church doors that stick(ramp, access to chapel and the chapel kitchen door and give us a quote on panic door hardware installation on the ramp door. Will ask about getting the basement door lock keyed to the same key as the church.
- The railing bid decision is waiting for a bid from John Sommer.
- Will have Matt Detore take a look at the caulking around the rectory to cut down on the water in the basement.
- Upon receipt of the split quote from Cuccaro plumbing will first proceed with just renovation on the basement powder room and the second floor bathrooms of the rectory.
- For the chapel campaign have chosen gift request amounts ranging from \$1000 to \$250, possibly including the wording "Every little bit helps" and adding to the letter wording that indicates that anything over the amount needed will go to other church property improvements.
- To try to get snow removal contract will request separate bids for the parking lot and sidewalks. Will be contacting SRSA, EMS Lawn, and Nate Goodson.
- In addition to having John Sommer look at panic door installation, Father Taylor suggested calling Valley Locksmith and Ace Locksmith.

Our next meeting will be on January 10<sup>th</sup> at 7pm in the Chapel.
